

UNITED STATES DISTRICT COURT  
DISTRICT OF MASSACHUSETTS

---

UNITED STATES

CR. NO. 05-10003-NMG

v.

DEEB HOMSI

---

ASSENTED-TO MOTION TO MODIFY CONDITIONS OF RELEASE

The defendant is presently released on electronic monitoring 24 hours a day. Pretrial Services has suggested that these conditions should be modified so that the defendant is subject to a curfew with electronic monitoring from 11 P.M. to 6 A.M. daily, but will be free to go to medical appointments and conduct lawful personal errands during the day without monitoring or restriction, but for the usual conditions of unmonitored pretrial release. The defendant respectfully moves this Court to modify his conditions of release accordingly.

The defendant has cooperated fully with Pretrial Services since his release on electronic monitoring, and poses no threat to the community or risk of flight if his conditions of release are so modified.

The Government assents to this Motion of the defendant.

Respectfully submitted.
